

# Wolfeboro Community Food Co-op Informational Meeting

*Join the Discussion*

**March 16 at 6:30 pm**

Tuftonboro Free Library

221 Middle Road - 109A, Center Tuftonboro

Wolfeboro Community Food Co-op is a member-owned New Hampshire cooperative whose purpose is to establish and operate a **full service natural food store** in the town of Wolfeboro. Our goal is to provide our members and the local community with access to high quality, fairly priced, organic, local and natural foods and products. We will invest in an environmentally and economically sustainable local food system and cultivate fair and trusting relationships between consumers and producers. Refreshments served.
